Letter regarding 16-19 Bursary 2022/2023

Dear Parents/Carers

Students who are facing a significant financial barrier are invited to apply for a share of the discretionary bursary fund for this current academic year. Applications are invited from students whose combined household income will not exceed £20,000 for the year.

In order to ensure fairness and transparency, proof of income will be required as part of the applications. Once a need has been demonstrated, the funds will be allocated on an individual household basis. A recent bank statement will need to be supplied together with the application.

If your application is successful you may be able to receive support with transport costs, school meals, books and learning resources each case is assessed on its own merits.

The application form will be made available on our website, along with a copy of this letter.

Yours Sincerely
